November Matching Game

Place all of the cards face down on the table. Each player takes a turn flipping over 2 cards at a time. Are they a match? Yes, great job! You get to keep that pair. It stays your turn until you are unable to find another match. If you did not get a match, that's ok, flip the cards back to being face down and give the other player a turn. Whoever has the most pairs at the end of the game wins!
