Preschool Graduation Memory Game: Laminate and Cut!

ABC

Preschool Graduation Memory Game!

You can play the Preschool Graduation Memory Game with
your friends and family!

Place all of the cards face down on the table. Each player takes a turn flipping over 2 cards at a time. Are they a match? Yes, great job! You get to keep that pair! It's stays your turn until you are not able to find another match. If you did not get a match, that's ok, flip the cards back to being face down and give the other player a turn. Whoever has the most pairs at the end of the game wins!
